XIN SHU

Human–Computer Interaction · Newcastle University · PhD in progress

x.shu6@newcastle.ac.uk | sushishuxin@gmail.com | +44 7536 205 983

EDUCATION

Ph.D in Human Computer Interaction
Newcastle University, UK · 2023.10 – Present

Visiting Ph.D (Human Computer Interaction)
NextLab, Zhejiang University, China · 2026.06 – Present

Visiting Ph.D (Human Computer Interaction)
Newyork University(NYUAD), UAE · 2025.01 – 2025.06

MSc Design Informatics
University of Edinburgh, UK · 2022.09 – 2023.09

BEng Information Systems
Dalarna University, Sweden · 2020.09 – 2021.06

Exchange Student (Computer Science)
University of Oulu, Finland · 2019.09 – 2020.06

BEng Software Engineering
Jiangxi University of Finance and Economics(JUFE), China · 2017.09 – 2021.06

TECHNICAL SKILLS

Programming
Python, Java, JavaScript, C++, Unity (VR Development), SQL

Tools
VS Code, Git, Jupyter Notebook, Confluence, Jira, Xmind, Arduino, EEG devices

Prototyping
Figma, Axure

Design
Photoshop, Lightroom

Languages
Chinese (Native); English (TOEFL 109)

CAMPUS LEADERSHIP & ACTIVITIES

Newcatle University SAgE Student Ambassador
Newcastle University · 2025.11 – Present

Head of Publicity Dept.
Newcastle University Students' Union · 2023 – 2024

Media Lead – North-East Five-University Chinese New Year Gala (1 000 attendees)
Newcastle, Durham & 3 partner universities · 2024

Host, Chinese New Year Gala
University of Oulu, Finland · 2019 – 2020

Head of External Liaison, Photography Association
Jiangxi University of Finance and Economics (JUFE) · 2018 – 2019

Class Monitor, Software Engineering
Jiangxi University of Finance and Economics (JUFE) · 2018 – 2019

Head of Publicity, Flag Guard Team
Jiangxi University of Finance and Economics (JUFE) · 2018 – 2019

Deputy Head of Publicity, Martial Arts Association
Jiangxi University of Finance and Economics (JUFE) · 2018 – 2019

SELECTED PROJECTS & PUBLICATIONS

From Observer to Creator: Unpacking the Tradeoff between Conceptual Understanding and Transfer in VR Cultural Heritage Learning
International Journal of Human–Computer Interaction (IJHCI 2026)

Casting the Shadow for Understanding "Reasoning Ghosts"
Proceedings of the 2026 ACM Conference on Creativity & Cognition (C&C 2026), pp. 1641–1647

ShadowAI: Fostering Children's AI Literacy and Critical Understanding of AI Reasoning
Proceedings of the 2026 ACM Conference on Creativity & Cognition (C&C 2026), pp. 1470–1477

FretFlow: Adaptive Haptics for Rhythm and Articulation in Guitar Learning
In Proceedings of ACM Conference on Human Factors in Computing Systems, 2026.

Quiz Traveller: A Crowdsourced Educational Game on Chat-Based Interactive Live-Streaming Platforms Best Paper Award
Proceedings of the 10th International GamiFIN Conference, 2026

Somaditation: A Multisensory VR Meditation Experience with a Wearable Glove
In Proceedings of the ACM Conference on Tangible, Embedded, and Embodied Interaction, 2026

GlobalUP: Leveraging Social Media to Provide Social Support for Chinese Cultural Groups in Unfamiliar Environments
Social Computing and Social Media (HCII 2025)

FretMate: ChatGPT-Powered Adaptive Guitar Learning Assistant
In Proceedings of International Conference on Intelligent User Interfaces, 2025.

Human–LLM Interaction for Creative Inspiration
In Proceedings of ACM Conference on Human Factors in Computing Systems, 2025.

Work with AI and Work for AI: Autonomous Vehicle Safety Drivers' Lived Experiences
In Proceedings of ACM Conference on Human Factors in Computing Systems, 2023.

Contactless Physiological Sensing in Smart Home Environments
Industrial Engineering & Management (2022)

TEACHING & SERVICE

Paper Reviewer
CHI 2027, NIME 2026, EDM 2025, IUI 2025

Teaching Assistant
2027 Programming Portfolio 1 (CSC1034) , Newcastle University

Teaching Assistant
2027 Computer Systems Design and Architectures (CSC1032) , Newcastle University

Teaching Assistant
2027 Biomedical Data Analytics and AI (CSC3432) , Newcastle University

Teaching Assistant
2026 Human-Artificial Intelligence (AI) Interaction & Futures (CSC8611) , Newcastle University

ELTS: Evidencing Learning and Teaching Skills (AFHEA route)
Newcastle University

INTERNSHIP EXPERIENCE

Product Manager Intern

Shopee · 2022.01 – 2022.05

• Enhanced Incentive & Growth System: Increased DAUs from 1.7M to 2.1M by refining growth strategies and building sustainable tools for the Shopee video platform, including task posting, mentorship tasks, and stage feedback for video-watching activities.

• Improved User Retention: Extended average retention time by 1.2 minutes through the design and implementation of incentive-based video engagement mechanisms.

• Boosted User Engagement: Implemented themed pages aligned with local festivals and events, adding 32,000 Daily Active Users and improving video reach conversion by 5% via new shortcuts and green channels.

Product Manager Intern

Kuaishou(Kuaiying), Shenzhen · 2021 – 2022

• UX and Feature Optimization: Led enhancements to clip search, streaming, and display, increasing library views by 23%; designed innovative editing tools, boosting user engagement metrics significantly (cover views +13%, sharing +17%).

• Automation and AI Integration: Partnered with image recognition teams to automate video frame analysis and content selection, improving both accuracy and efficiency in user interactions.

• Product Metrics and Impact: Implemented iterative feedback mechanisms, elevating retention rates from 30% to 35%, supporting a user base of 3.5 million daily active users through refined video/photo management features.

• Patent: Invented and patented a core intelligent recommendation feature for the Kuaiying App's cover templates (Patent No. 2021KT2414).

AI Product Manager Intern

DiDi Global, Beijing · 2021 – 2022

• SaaS Platform Development: Played a key role in launching outbound call automation products; authored PRDs for critical platform functions (Account Management, Enterprise Certification, Enterprise Management, Automatic Blacklisting), managed UI reviews and iterative feature updates.

• Admin Platform Improvement: Drafted targeted PRDs addressing Task Optimization and Enterprise Audit, streamlining internal processes and administrative efficiency.

• Competitive Intelligence and Analytics: Authored strategic competitive product analysis reports (Spici, Baidu Cloud, Ali Cloud); identified critical indicators for the Account Asset Center.

• Data-Driven Project Delivery: Delivered interactive accuracy evaluation on speech recognition models (n=1,000); launched data-driven reports, enhancing product transparency and reliability.

Product Manager Intern

NetEase Youdao(Super Dictionary), Beijing · 2020 – 2021

• Product Ownership & Strategy: Directed over 70% of the feature set for an AI-driven educational tool targeting middle and high school students, managing 12+ PRDs across core learning features such as listening, reading, writing correction, global audio, and parental control.

• User Research & Market Insight: Executed large-scale user studies (survey n=3,000, 20 in-depth interviews, quantitative test n=105), combined with competitive analyses (e.g., iFlytek, XiaoAi, Weixin Reading), to shape detailed personas, market segmentation, and actionable gamification proposals.

• Feature Development & Optimization: Authored 11 PRDs (6 new features, 5 optimizations), enhancing Oxford Dictionary integration, UI/UX, and engagement-driven functionality.

HONOURS & AWARDS

Selected for Student Innovation Challenge, IEEE World Haptics Conference 2025
07/2025

Outstanding Graduate Award
06/2021

First Prize Scholarship for Overseas Students
05/2020

Highest Scholarship from Dalarna University
04/2020

Third Prize in Jiangxi Province University Student Mathematical Modelling Competition
12/2019

Third Prize in Internet + University Student Innovation and Entrepreneurship Competition
09/2019

Campus “Internet +” Innovation Contest – 3rd Prize
09/2019

Yongyou Software Scholarship
06/2019

Learning Excellence Scholarship
06/2019

Science and Technology Star Corporate Scholarship
05/2019

National University Mathematical-Modelling Contest – 2nd Prize
05/2019

Jiangxi Provincial Programming Contest – 1st Prize
05/2019

University Level Merit Student
12/2018

Best Debater – SiBian Cup
12/2018

Level-3 Psychological Counsellor, Jiangxi Province
09/2018

First-class Scholarship – JUFE Foreign Languages
06/2018

Learning Excellence Scholarship
06/2018

Second Prize in 2018 Jiangxi Province University Student Computer Competition
05/2018

Second Prize in University-level “ERP Sand Table Simulation Operation” Competition
05/2018

Talent of Jiangxi University of Finance and Economics
05/2018
